### Products

#### Wellness Belts—

Designer belt that helps change everyday activities into a gentle fat burning, heart strengthening muscle and bone strengthening work out. All natural weight loss, which has been certified as a medical device by Health Canada. Helps to ease back pain & build bone density & reduce Osteoporosis in hips and pelvis.

#### Aim Products—Barley Life “Green Powder”

A natural anti-inflammatory & creates an alkaline environment which helps to prevent cancer.

- ♥ Naturally lowers cholesterol levels
- ♥ Increases energy levels
- ♥ Promotes a healthy immune system
- ♥ Foundation of whole body health
- ♥ 2 to 3 times more nutrients than green vegetables
- ♥ Concentrated vitamins, minerals and phytonutrients

#### Herbal Fiberblend

A mixture of fiber and herbs that have been formulated for maximum contribution to the daily diet. Herbal Fiberblend is a natural Weight loss supplement as it contains Psyllium seed husk which is the best natural fiber available. Taken with water 1/2 hour before a meal effectively helps to curb the appetite so fewer calories are taken in. It is also effective as a Detox, successfully taking toxins out of your system and reducing bloating. Also, helps to prevent Colon Cancer.

#### Monovie Aci Berry

Immune booster and energy provider.
